# Checklist

If you are applying for your first long-term or new short-term mobility parking permit, please complete parts 1, 2, 3 and 4.

If you are renewing a long-term mobility parking permit please complete parts 1, 3 and 4 (you will not need to go back to your doctor). You can also renew online. www.mobilityparking.org.nz

# Permit types

# Long-term permit

Long-term permits are issued to people with long term (permanent) medical conditions or disability that affect their mobility. Eligibility for a new (first time) long-term permit is required to be confirmed by your doctor. A long-term permit is valid for five years from the month and year of issue.

# Renewing an individual long-term permit

You must apply for a long-term permit to be renewed at the time it is due to expire. It was confirmed by your doctor in the application for your first long-term permit that you have a medical condition or disability which affects your mobility and is long term (permanent); therefore you do not have to provide any additional medical information when applying to renew your permit.

# **Short-term permit**

Short-term permits are issued to people with short term (temporary) medical conditions that affect their mobility. Eligibility for a short-term permit is required to be confirmed by your doctor. A short-term permit can be issued for a minimum of three months and a maximum of 12 months.

A three month or six month permit may be extended to a maximum of 12 months from the date of issue. This requires confirmation from your doctor that your mobility is still affected.

# Conditions of use

There are some responsibilities and rules you need to follow when using your mobility parking permit.

# 1. Display your permit clearly

Your permit is designed to hang from your vehicle's rear view mirror by using the built-in hook. Alternatively, you can display it on your dashboard, as long as the details are clearly visible from the outside of the vehicle.

# 2. Ensure your permit is valid

While we send a reminder letter for long term permits, it is your responsibility to ensure your permit is valid. Please let us know if your postal address changes.

# 3. Your permit can only be used by you

The permit is issued to you, and a unique number and barcode is printed on it. Your permit cannot be used by another person.

# 4. Only use your permit if you need to get in or out of the vehicle

If you, the permit holder, are staying in the vehicle, you must park in a standard parking space (not a designated mobility parking space), and the permit cannot be displayed.

# 5. Notify us if your permit is lost or stolen

Let us know if your mobility parking permit has gone missing so we can cancel that permit and issue a replacement one.

Abuse or breach of these rules can result in your permit being cancelled.

Permits no longer required by the permit holder need to be returned to CCS Disability Action, PO Box 272, Hamilton 3240.
