

Join the 'Tenei au. This is me, here I am' gathering for community agencies

Join us for a series of gatherings to learn how the Enabling Good Lives (EGL) principles can support you to work with disabled people in your community.

EGL can help you explore better and more flexible ways of thinking and working with disabled people and their whānau.

'Tenei au. This is me, here I am' is a way for communities to lead the changes they want to see.
