

# 'Tenei au. This is me, here I am'

## Community forum for disabled people, whānau and community agencies

Join us for a series of online workshops to explore how you can apply the Enabling Good Lives principles and approach to build greater choice and control.

Facilitated by disability sector leaders, there are three workshop series running on different dates and times so you can find the series that best suits you. Each series will be held via Zoom and will discuss:

- What does a good life look like for disabled people and their families?
- What is working well for you?
- What is not working well for you?
- What needs to happen for disabled people and their families to have a good life in your community?
