

Join the 'Tēnei au. This is me, here I am' gathering for family of disabled youth

Join us to learn how the Enabling Good Lives (EGL) principles can support you to have greater choice and control over your lives.

We will explore how EGL can support parents and caregivers to effectively advocate alongside your child as they begin to explore what's next for them after school. 'Tēnei au. This is me, here I am' is a way for communities to lead the changes they want to see.
