

Join the 'Tenei au. This is me, here I am' gathering for family of disabled people

Join us to learn how the Enabling Good Lives (EGL) principles can support you to have greater choice and control over your lives.

We will explore how EGL can strengthen your voice and explore better and more flexible ways of thinking and working together, so you can support your child in a way that works for you.

'Tenei au. This is me, here I am' is a way for communities to lead the changes they want to see.
