

Join the 'Tenei au. This is me, here I am' gathering for family of disabled people

Join us for a series of gatherings to learn how the Enabling Good Lives (EGL) principles can support you to have greater choice and control over your lives.

We will discuss:

- What does a good life look like for disabled people and their families?
- What is working well for you?
- What is not working well for you?
- What needs to happen for disabled people and their families to have a good life in your community?
