

'Tenei au. This is me, here I am'

Community forum for disabled people, whānau and community agencies

Come together to explore how you can apply the Enabling Good Lives principles and approach to build greater choice and control.

We will discuss:

- What does a good life look like for disabled people and their families?
- What is working well for you?
- What is not working well for you?
- What needs to happen for disabled people and their families to have a good life in your community?

We will support you to have these conversations, strengthen voices and create change as a community.
