

Join the 'Tēnei au. This is me, here I am' gathering for family of disabled children

Join us to learn how the Enabling Good Lives (EGL) principles can support you as a parent/caregiver of a disabled child to have greater choice and control over your lives.

Explore how EGL can strengthen your voice and explore better and more flexible ways of working, so you can support your child in a way that works for you. 'Tēnei au. This is me, here I am' is a way for communities to lead the changes they want to see.
