# WHICH WAY NOW?

Are you in your final years of school and wondering what's next?

**WE HAVE** a few ways we can work with you so you can get where you want in your life. Things like:

📍 Learning practical skills, hooking you up with youth groups or activities, figuring out your study options or connecting you with workplaces.

Why choose us?

📍 We can support you to work towards a more independent life.

📍 Our people are awesome. They know that you're in charge. What we do, depends on you.
